## **Chairs report:**

A successful season Phoenix 1st in Div1 and Firebirds 2nd, Hawks 3rd in Div 2

7 juniors attended inter regional trials 2 boys selected Kai Under 15 Harry Under 17 both attended inter regionals in Kettering.

Good position the club has had to establish a waiting list to join.

Opportunity for a merged TTVA men's Northern NVL team. Although this team has not yet been successful in joining Div 3 NVL they are looking to enter the Northern counties to gain practice for next season.

A quiet but successful awards evening.

Dev qualified as grade 4 referee.

Sad to see Ronan leave for Denmark after a highly successful time with the club. This leaves Marske needing more qualified coaches but working with J. Worrall from VE to try and get courses in his area asap.

**AP - LS to contact J.Worrall re coaching course in September and to inform him to send all Marske VBC correspondence to L. Shepherd.**

## **Secretary report:**

No correspondence this year

## **Lesley S general feedback:**

Junior section is well attended, and the players are making progress, with 4 juniors moving up to adult session need to look at a push on social media and promotion of the club:

**AP - Dev to promote in September and October.**

**AP - Flyer drops to schools September: Callum to create new poster/ flyer Lez to send out**

Many discussions and consultations about training times and numbers, members seem happy with the training so it will remain the same but matches to be played Sunday 2-4

**AP - LS to contact centre.**

All waiting list will have been invited by Monday 26th June so far two have joined but one is a player at Haughton VC.

Phoenix not really challenged this season so a suggestion to look at Teams at next exec after consultation with members.

Problems with equipment need a new large winder post

**AP - LS to contact Saltburn to check if this is still on order and bring a damage of one long net post to attention.**
